

Yellow Rose Challenge Coin Pledge

My acceptance of this MAFC Firefighter Emotional Wellness Campaign Challenge coin reveals my concern and compassion for the well-being of my brothers and sisters.

I will serve those who wear or have worn a fire department uniform in the State of Michigan.

My commitment recognizes the sacrifice of firefighters in service to others and is blind to department and rank.

I pledge to do my part to help remove the stigma associated with mental health issues in the fire service.

I will honor the Yellow Rose as a sign of my faithfulness to the mission of saving those who save others.
